## **ETC Express 24/48 DMX Lighting Controller**

The ETC Express 24/48 is the main lighting board we use for productions, and in the drama room. It is pretty feature rich, and has lots of built in functionality. I'm planning on writing a much longer article on it when I have time.

Until then, I went over all of the main features and functions in my video explanation here: https://youtu.be/2EdnVaRoOrA
