Important numbers

These should probably not be public so please don't abuse it. Since these are not on zones, you don't need a special phone to call these, and they can be paged from any classroom

These are listed on some notebooks in the back of the pa rack. It's all in a folder along with a printout of the system configuration. They are on top of the tape player if you need to find them. Please leave them where you found it, as the technician does also use it.
