## **Video Production & Youtube Videos**

I make and upload YouTube videos as a side project/hobby.

You can watch my videos at https://youtube.com/TonyTascioglu

Alternatively, I also maintain my own Peertube instance for my videos at <a href="https://peertube.tonytascioglu.com">https://peertube.tonytascioglu.com</a> (currently down for maintenance)

## **Current videos**

This was when I was maintaining wiki pages for videos.

I wanted the wiki page to be like a more details or more information section. It ended up just repeating the video description, I'll update this when I have time.
