# Video Production & Youtube Videos

I make and upload YouTube videos as a side project/hobby.

You can watch my videos at <https://youtube.com/TonyTascioglu>

Alternatively, I also maintain my own Peertube instance for my videos at <https://peertube.tonytascioglu.com> (currently down for maintenance)

## Current videos

This was when I was maintaining wiki pages for videos.

I wanted the wiki page to be like a more details or more information section. It ended up just repeating the video description, I'll update this when I have time.
